

POVERTY IS INJUSTICE

*There can be no justice without trade justice,
no security without economic security.*

The G8 Justice ministers are coming to Sheffield.

In 2005, **MAKEPOVERTYHISTORY** is demanding that the G8 turn their words into actions with:

TRADE JUSTICE DEBT RELIEF MORE & BETTER AID

We're inviting the ministers to join us for...

Rice for Dinner

A simple meal like billions eat every night.

...and you can come too!

Join us for food and music. No tickets, donations welcome.

We're cooking some food.

If you can, cook some rice yourself and bring it.

If you can't, just bring yourself!
