Lamp Tavern,
157 Barford St.
Digbeth B5 6AH

WHEN:

8 pm till late

February 4: Haiti's Tourniquet

Short by the IWWs International Solidarity
Commission about their 2008 trip.

March 11: Norma Rae.

Drama film about a woman in a small town
in Alabama, who gets involved in union activities
at the textile factory where she works.

April 1: Let's Make Money.

An eye-opening recent documentary connecting
the global financial system and working conditions.

May 6 : The Take.

Documentary about workers in Argentina,
who reclaim control of a closed auto plant -
a working model of revolutionary
syndicalism!?

June 3 : Salt of the Earth.

Legendary film, initially 'blacklisted' in the US,
about strike action in New Mexico that
challenges the domination of workers and
of women.

July 1 : Land and Freedom .

Ken Loach's classic about a volunteer from
Liverpool in the Spanish Civil War.
